

Personal Agility Stakeholder Interview Canvas

Figure out what really matters to your stakeholders. Ask questions in the numbered order.

Who?	Why?	Desired Outcome
<p>1. Stakeholder</p> <p>Note and if necessary confirm the person's Name, Function, Contact Details</p>	<p>3. Challenges and Impediments</p> <p>What are the main challenges to achieving these goals or desired outcome?</p>	<p>6. Definition of Awesome</p> <p>If I could snap my fingers, and all your wishes came true on this project, what would that look like?</p>
<p>8. What really matters?</p> <p>At the end of the day, what is most essential? (Summarize and confirm what you learned through questions 2-7)</p>	<p>4. Risks, Concerns, Fears</p> <p>What are your biggest concerns about achieving these goals?</p>	<p>7. Support</p> <p>How can I/we support you to make this come true?</p>
<p>2. Main Goals or Objectives</p> <p>What do you want to achieve through this project or collaboration?</p>	<p>5. Frustrations</p> <p>What causes you to bang your head against the wall?</p>	<p>9. What's next?</p> <p>What is the next thing that you need to do for this stakeholder (follow-up)?</p>
